

Recipient Entity: Daufuskie Marsh Tacky Society

Project: Marsh Tacky Breeding Security

Justification of Request/Public Benefit: Daufuskie Marsh Tacky Society is a 501c3 established in 2015 whose mission is to save the critically endangered SC state heritage horse in its native habitat on Daufuskie Island through programs that enrich the public. Our programming is designed to educate the public about the unique history, heritage and culture of South Carolina and the lowcountry through the narrative of the marsh tacky horse.
